

DEMOCRATIC TICKET.  
For Circuit Judge,  
HON. CHARLES A. HARRIS,  
of Mercer County

For Railroad Commissioner,  
WILLIAM F. KLAIR,  
of Fayette County

FOR REPRESENTATIVE  
William H. Shanks announces his  
 candidacy for Representative from  
 Lincoln county, subject to the action  
 of the Democratic party.

Some rich, rare and racy reading  
is promised the public before the  
Republican State Convention is held,  
and, possibly afterward. Mr. Franks  
makes some rather pointed inquiries  
of Judge O'Heir about the latter's al-  
leged conference with one Dr. Amoss  
at Princeton, who has been charged  
with being implicated in night rider  
troubles. Mr. Franks says that Dr.  
Amoss is a democrat. Of course it  
is not our fight, and we are just won-  
dering what did take place between  
the doctor and the judge. The judge,  
you know is suspected by some of  
having "a feeling way down in his  
heart" for the night rider, but then  
that is not our business either and  
again we are just left to wonder if  
the judge took the doctor to his bo-  
som and promised him anything in  
the event that his nightmare about  
being the next governor should ma-  
terialize. We will let Judge O'Heir  
do the wondering about the realization  
of that dream however, for after the  
election he will wake up to the full  
force and effect of this: "O, what a  
difference in the morning."

#### BACK SET FOR CHAMP CLARK.

The Champ Clark presidential boom  
has suffered a severe reversal as the  
result of an announcement by Sena-  
tor Reed, of Missouri, who virtually  
reads out of the Democratic party  
in his home State any who fail to live  
up to the State convention pledge for  
Joseph W. Folk, as the Democratic  
presidential nominee.

The Reed statement which is of  
great length, recites that the De-  
moerats of the State last year in con-  
vention assembled, endorsed Gov.  
Folk for the presidency. It also em-  
phasizes the fact that Mr. Clark was  
the temporary presiding officer of the  
same convention. The probability  
that Champ Clark cannot go to the na-  
tional convention with his solid State  
delegation behind him has thrown  
alarm among the followers of the  
Speaker.

The Missouri delegation would like  
to be for Mr. Clark, but since Sena-  
tor Reed has made the State conven-  
tion declaration for Mr. Folk an is-  
sue in the State there is a disposition  
to sidestep presidential politics in  
the part of Representatives from the  
"Show me" State.

In Washington the Reed interview  
occasioned great interest and it is  
generally recognized that it will not  
be helpful to the Clark presidential  
boom.

#### Mrs. Kate Hays Dies.

FORMER LINCOLN COUNTY LADY  
SUCCEUMS TO RHEUMATISM  
IN KANSAS CITY.

News was received here Wednes-  
day of the death of Mrs. Kate Hays,  
at the home of her daughter, Mrs. J.  
H. McCurdy in Kansas City, Mo. The  
message was to her only son, W. W.  
Hays, and stated that her death was  
due to a complication of diseases.  
She was 71 years of age and lived in  
this county many years where she was  
believed by many, who regret to hear  
of her demise. Her husband, the late  
W. H. Hays owned a beautiful farm  
on the Hustinville pike, but soon  
after his death some 25 years ago,  
Mrs. Hays went to Kansas City and  
lived there until her death. She was a  
devout member of the Presbyterian church  
and was fully prepared when the time  
came. Three children were  
born to Mr. and Mrs. Hays, two of  
them surviving, Mrs. McCurdy, of  
Kansas City, and W. W. Hays, of the  
place.

The remains reached here yester-  
day morning from her late home and  
the burial occurred immediately in  
Buffalo cemetery, a large number  
of friends following the cortege to the  
last resting place.

#### HEED THE WARNING

Many Stanford People Have Done So.

When the kidneys are not doing  
their duty, the body is in danger. It  
is a warning that should not be ignored.  
For the urine and the blood are  
poisoned upon the first sign of disease.  
Many days of suffering may be saved  
if the kidneys are kept in good con-  
dition. The kidneys are the filters of the  
body, and if they are clogged, the  
blood is poisoned. The kidneys are  
the most important organs of the body,  
and if they are not kept in good con-  
dition, the body will suffer. The kidneys  
are the filters of the body, and if they  
are clogged, the blood is poisoned. The  
kidneys are the most important organs  
of the body, and if they are not kept  
in good condition, the body will suffer.

For all these reasons, it is  
important that the kidneys be kept  
in good condition. The kidneys are  
the filters of the body, and if they  
are clogged, the blood is poisoned. The

## One Way of Saving a Baby—Free to Try

The mother does not live who would not  
do all in her power to keep her child  
healthy, but often she does not know  
how. So when a doctor of standing points  
the way all can afford to listen.  
It is an established fact that nine out of  
ten of the troubles of infants and chil-  
dren is intestinal. You notice it by the  
fact that the child is constipated, it  
belches, is peevish and irritable. Don't give  
a remedy that contains an opiate, because  
the child will get in the habit of needing it,  
and don't become alarmed and run at  
cure for a doctor.  
Try a scientific laxative first. Give a  
small dose of Dr. Caldwell's Syrup Pepsin,  
the remedy that is intended for the use  
of children. It is mild, gentle and non-  
gripping. The remedy is absolutely pure

## Hanna's Green Seal

### "THE MADE-TO-WEAR PAINT"

Has stood the test of time and has been improved in quality with the passing years.

Many brands of paint are offered for sale and quite often careful scrutiny is not given the subject with reference to the quality of the paint to be used.

EXPERIENCE IS A GOOD TEACHER. TEST THE QUALITY.

It is a good idea to learn the composition of the paint you intend to use. There is a difference.

The printed formula appears on every package of Hanna's Green Seal Paint.

This is an evidence of good faith and attests the confidence the makers have in their product.
